ULTRACALMING FACIAL

This gentle and calming treatment is ideal for people whose skin needs a more delicate approach. If you suffer from sensitive skin and are affected by the weather, pollution, or ingredients in some cosmetic products, this is the right treatment for you. The products used will help calm, restore and defend sensitized skin.

750.000

ACTIVE CLEARING FACIAL

This treatment is formulated with Salicylic Acid and Hyaluronic acid that help combat prone to breakout-causing bacteria for rapid skin clearing, leaving your skin glowing, clean, and fresh after the treatment. All skin types—unless there's no existing acne. Suppose you want a non-drying acne cleanser from Dermalogica for dry, acne-prone skin, this one's pretty perfect.

750.000

HYALURONIC FACIAL

The Hyaluronic Acid facial keeps your skin soft and plump by attaching onto the water molecule naturally occurring in skin, causing a superior level of hydration. It is an ideal ingredient in moisturizers due to the molecule's ability to hold 1,000 times its weight in water allowing skin to retain collagen. Hyaluronic acid prevents the skin from losing moisture, counters free radicals, treat oxidants caused by ultraviolet radiation, smoothes wrinkles and improves skin's texture. Indulge in pure hydration and notice instant benefits.

KERATIN HAIR TREATMENT

The 'Intelligent Brush', is a progressive hair straightening 'textured' technique. It acts on the keratin and protein of the hair, protecting hair from damage and keeping it shiny and healthy. It can be applied to any type of hair: colored, uncolored, light-colored, straightened, etc.

The effect is softness and hair hydration, as well as a significant reduction in the hair volume. One or two applications are enough to have a satisfactory result: shiny, silky and well treated hair.
